

Teaming Aug. 20, 2014

Dr. Moody: We will be starting at 2:40 p.m.

Vocabulary word for the day: FRUGAL

Dr. Moody's working on the budget; making it tight.

We lost a lot of state aide 5 years ago.

If you need it for your classroom/students, we'll try to get it for you. We need to tighten our belt.

POs - take it to your building principal & discuss, then will go to Dr. Moody/Kim/Michele

Feedback on Agenda from last week on student-centered education (homeroom)

Mr. Hitchcock - got a positive from students

Mrs. Beckler - kids using time for the most part really well.

Dr. Moody - more global scope, i.e. improve lunches, Scooter and StuCo are getting a committee together.

Technology - committee membership

(Old TIG) teachers to volunteer for the tech cohort @ ESU6

Mr. Martin - explained what TIG was when he took it. Then \$500 @ the end of it to spend for your classroom.

Mrs. Eigsti - present now & must go to NETA in April.

ESU6 would like one teacher from elementary and one from secondary.

Mrs. Houlden - teachers miss 2 days for NETA and 4 days from school

Miss Paige - Is TIG more applicable for one to one schools, as we are not one of these; we will email Lynn Herr about that.

Dr. Moody - need to set committee - must have many things set up in order to go one to one.

Pay a stipend to go to a summer workshop i.e. Google Summitt/Classroom

Dr. Moody passed out an article on digital curriculum/textbooks - look @ ea. staff member linking our own sites to school webpages

We have a Twitter account.

Facebook account?

NeSA unembargoed tomorrow (Aug. 21, 2014)

Data committee - hanging our data on curriculum maps

Survey - in September (staff), October (students)

Keep purple folders up to date (please)

Ticket book - GET SIGNED UP

Think about becoming a test admin for ImPACT test

Homeroom (secondary)

Kids are helping each other

Kids want it to be longer

Kids have been getting in and getting to work.

Schedule
